BEHAVIOR

A child-centered approach to discipline is used at ABELC. Techniques used include positive reinforcement of appropriate behaviors, ignoring attention-seeking behavior, redirection, reminders and quiet reflection time. Food or activities are not withheld from children because of inappropriate behaviors. Corporal punishment is never used. Camp ABELC reserves the right to remove from its programs any student who continually displays inappropriate behavior. Behaviors, which pose a harm to the students or other students, are deemed to be inappropriate.
